Robert Kanigel is the author of the best seller "The Man Who Knew Infinity", a biography of Ramanujan. In this book, he devoted more than a page to describe the efforts P.K.Srinivasan to bring out the Ramanujan memorial volumes (1 and 2).

Here is a message from Robert Kanigel:

=====

Dear Ravikumar,

I do remember P. K. Srinivasan, whom I met in Chennai in 1988, and I certainly remember as well his invaluable books bearing on Ramanujan, which very much aided my research into Ramanujan's life. In so persistently gathering the materials for them, he offers an example of what people can accomplish when they truly care.

It's seventeen years now since I visited Madras. I wonder how it's changed (beyond its name). I loved my time there and hope someday to visit again.

Best wishes,

Robert Kanigel
